

Software Developer · UI/UX Designer · Game & Immersive Tech Developer

ADHURIM THAQI

adhurimthaqi@gmx.ch · +41 79 891 05 02 · Adhurim.ch · Dübendorf, Switzerland · Driving License B

PROFESSIONAL SUMMARY

Immersive Technologies student at HSLU Luzern with a strong foundation in frontend development, UI/UX design, 3D modelling, and game development. Proven track record delivering responsive web solutions, SEO-optimized sites, and scalable full-stack applications for Swiss and international clients. A dual-threat creative who codes with engineering precision and designs with high-end aesthetic sensibility — from Unity game worlds to production-ready software.

WORK EXPERIENCE

Software Engineer Project (Academic)

2025 – Present

HSLU — School Project, Switzerland

- Architected full-stack applications with Java (Spring Boot) & Node.js in a cross-functional Agile team.
- Implemented Docker containerization and CI/CD pipelines, reducing deployment time.
- Deployed and maintained services on AWS & Azure cloud infrastructure.
- Conducted code reviews, improving codebase quality and overall team velocity.

Java · Spring Boot · Node.js · Docker · CI/CD · AWS · Azure · Agile

Freelance Developer & Designer

2023 – Present

Remote — Multiple International Clients

- Engineered 15+ responsive web applications using React.js, Vue.js, and WordPress.
- Designed pixel-perfect UI/UX prototypes in Figma and Adobe XD, reducing revision cycles by 30%.
- Developed and shipped mobile applications using Flutter and React Native.
- Implemented SEO best practices, consistently achieving Page 1 search rankings for all clients.

React.js · Vue.js · Flutter · React Native · Figma · Adobe XD · WordPress

Freelance Web Developer

2023 – Present

ASM Promissa GmbH, Switzerland

- Designed and developed a fully responsive modern business website from scratch.
- Improved page load speed by 30% through performance optimisation and asset compression.
- Implemented targeted SEO strategies, achieving consistent top-3 search engine rankings.
- Integrated contact forms, email automation, and secure user navigation flows.

HTML5 · CSS3 · JavaScript · WordPress · SEO · Performance Optimisation

Graphic & Interior Designer / Customer Representative

2023 – 2024

OnaCandy & TelePerformance, Kosovo

- Spearheaded brand identity design: logos, marketing collateral, and social media assets.
- Developed 3D architectural visualisations and interior models using AutoCAD, Blender & 3ds Max.
- Achieved 100% customer satisfaction rating as Customer Sales Representative at TelePerformance.
- Managed 5+ concurrent design and service projects simultaneously to tight deadlines.

AutoCAD · Blender · 3ds Max · Branding · Interior Design · Customer Service

Fitness Trainer & Content Creator

2024 – Present

Self-Employed — YouTube & Social Media

- Launched and grew a fitness brand across YouTube and Instagram with an engaged online community.
- Produced and edited high-quality video content, applying digital marketing strategy to drive growth.
- Coached clients on strength training, kettlebell programming, and personalised nutrition plans.

Content Creation · YouTube · Digital Marketing · Brand Building · Personal Training

GAME DEVELOPMENT PROJECTS

CoinQuest *2024*

Solo Developer — Unity / C#

- Designed and developed a 2D/3D adventure game featuring coin-collection mechanics and enemy AI.
- Implemented pathfinding algorithms, score tracking, and procedural level generation logic.
- Engineered responsive player controls, physics interactions, and a dynamic HUD in Unity.

Unity · C# · Game Design · AI Scripting · Procedural Generation · Level Design

Ghost Seekers *2024*

Solo Developer — Unity / C# / AR

- Built an immersive AR-enhanced ghost hunting game blending real-world environments with virtual gameplay.
- Implemented ghost AI behaviour trees, spatial audio design, and atmospheric lighting systems.
- Designed suspenseful UX flow with inventory management and multi-level progression.

Unity · C# · Augmented Reality · AI Behaviour Trees · Spatial Audio · UX Design

Museum Game *2024 – 2025*

Educational Interactive Experience — Unity / C#

- Designed an interactive museum experience combining educational content with engaging game mechanics.
- Created immersive 3D environments and interactive exhibits with Blender-modelled assets.
- Applied HCI principles and UX research to maximise visitor engagement and learning outcomes.
- Integrated narrative storytelling and quiz-based learning loops throughout the experience.

Unity · C# · Blender · HCI · Interactive Design · 3D Modelling · UX Research

EDUCATION

BSc - Informatic - Immersive Technologies *Sep 2025 – Present*

Hochschule Luzern (HSLU), Switzerland — Campus Zug-Rotkreuz

- Core areas: AR/VR Development, Game Design & Production, 3D Modelling, Computer Vision & AI.
- Human-Computer Interaction Design, Algorithms & Data Structures, Computer Networks & Security.
- Agile Project Management, UX Research & Testing, Immersive Storytelling, Entrepreneurship.

AR/VR · Game Dev · 3D Modelling · HCI · Computer Vision · AI · Agile · 180 ECTS

BSc Computer Science - Software Design *Oct 2020 – Dec 2023*

University of Prizren 'Ukshin Hoti', Kosovo

- Full BSc with focus on Software Design, Algorithms, and System Architecture.

AKAD Schule - Project Management, Process & Quality Management, Business Informatics *Zürich, 2023–25*

TECHNICAL SKILLS

Frontend	HTML5 · CSS3 · JavaScript · jQuery · React.js · Vue.js · React Native · Flutter · WordPress
Backend	Java · Spring Boot · Node.js · REST APIs · MySQL · MongoDB · Firebase
DevOps	Docker · CI/CD · AWS · Azure · Git · GitHub · VS Code · IntelliJ
Design	Figma · Adobe XD · Adobe Creative Suite · Photoshop · Illustrator · Canva · Filmora · DaVinci Resolve
Game Dev	Unity · C# · Game Design · AI Scripting · Procedural Generation · AR/VR
3D & Arch	Blender · AutoCAD · 3ds Max · 3D Modelling · Architectural Visualization
Immersive	AR/VR Development · Computer Vision · HCI Design · Immersive Storytelling · MR

LANGUAGES

Albanian	Native
English	Fluent — B2/C1
German	Advanced — B1/B2
Bosnian / Turkish	Basic

CERTIFICATIONS & TRAINING

International BTEC Level 3 Certificate in Business — *Pearson*	*Mar 2022*
AKAD Schule — Project Mgmt, Process & Quality Mgmt, Business Informatics — *Zürich*	*2023–25*
Social Media & Digital Marketing — *Kosovo*	*Mar 2019*
Career Development, Resume & Networking Workshop — *Kosovo*	*Sep 2017*
English Club Participation I & II — *Kosovo*	*2015, 2016*
Peace Corps Volunteer — *Kosovo*	*Jul 2017*
